ROSCOMMON
WALKS & CYCLEWAYS
Let’s Get Exploring...
Walking is the oldest, free and most natural form of activity, which has immense physical and mental benefits.

This Roscommon Walks and Cycleways Book sets out to inform you of the Walks and Cycle routes which are located throughout Roscommon. The book has been developed as part of the Healthy Roscommon Plan 2018-2021 which aims to create “A Healthy Roscommon, where everyone can enjoy physical and mental health and wellbeing to their full potential”.

Each route has been individually mapped to note location, length and difficulty, together with facilities along the routes. While our “notes” and “Activities” centre page is a fun way of recording the activity you have undertaken and checking out what you can see along the way.

Through informing you of our walks and cycleways, we want to encourage you, your family and friends to to get active and get exploring....

“
So grab your coat, hat or helmet and shoes... and let’s get exploring!!!
”

Many of Roscommon walking trails are on private property and access is due to the kind permission of the landowner. Many walks are on working farmland and therefore no dogs are allowed. Persons entering such private property do so by permission from the landowner and no right of access or right of way is created as a consequence. Please follow the directional signage for this trail and please respect the environment by following the principles of Leave No Trace.

When out cycling please wear a helmet and use lights in dark or dusk conditions. All users under 12 years of age must be supervised, especially on public roads and please wear appropriate clothing and footwear. Please respect all users, walkers and pedestrians.

Please wear appropriate clothing and footwear.
Always wear a helmet when cycling.

In order to minimise your social and environmental impacts on the outdoors, please follow the 7 principles of Leave No Trace.
Mountain Rescue 999 (only in emergency)

1. Plan ahead & prepare - correct clothing, footwear, drinks & food.
2. Be considerate of others
3. Respect farm animals & wildlife
4. Travel & camp on durable ground
5. Leave what you find
6. Dispose of waste properly
7. Minimise the effects of fire
